HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 26, *Missouri Register*, page 27. The approved short form of citation is 26 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation , i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—Cite material in the RSMo by date of legislative action. The note in parentheses gives the original and amended legislative history. The Office of the Revisor of Statutes recognizes that this practice gives users a concise legislative history.

FROM THIS ANGLE....

First rulemaking class scheduled . . .

Our first rulemaking class is scheduled with the Department of Social Services for November 28th. We will address various topics covered in the new and revised rulemaking manual, *Rulemaking 1-2-3, Missouri Style*. This class is specifically designed for their agency needs.

Have you been in touch with us to schedule your class? We will be pleased to provide whatever level of training you deem necessary and tailor the topics/agenda for your respective agency.

New positions; old faces

If you have visited the Administrative Rules Division recently, you may notice old faces in new positions. You may wish to make note of these changes so that you can request the proper person to assist you.

Kathren Choate, Code Editor retired in October. Kathren tells us retirement is really neat . . . ! We wish Kathren well in retirement but we miss her here in Ad. Rules!

Jim McClure, who formerly served as Associate Editor for Register, has been promoted to Code Editor.

Curtis Treat, who formerly served as Associate Editor for Code, has decided he is ready for a new challenge and has switched publications and now is Associate Editor for Register.

Barb McDougal remains as our Register Editor . . . and we are thankful for her consistency . . . although she says it feels "funny" because everyone else has moved around!

Sally Reid, who formerly "floated" between both publications has become Associate Editor for Code.

We look forward to adding another Associate Editor in the not too distant future. This position will "float" between both publications.

As always, we are here to assist you with any stage of the rulemaking process — just give us a call.

Director, Administrative Rules Division

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2000. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons and findings which support its conclusion that there is an immediate danger to the public health, safety or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than 180 calendar days or 30 legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

Title 2—DEPARTMENT OF AGRICULTURE Division 10—Market Development Chapter 5—Price Reporting

EMERGENCY RULE

2 CSR 10-5.015 Public Complaint Handling and Disposition Procedure for Missouri Livestock Marketing Law

PURPOSE: This rule establishes a procedure for the receipt, handling, and disposition of public complaints pursuant to the mandate of the Missouri Livestock Marketing Law, section 277.200–277.215, RSMo 2000 and Supp. 2001.

EMERGENCY STATEMENT: The Director of the Department of Agriculture has determined that emergency procedures should be implemented to establish rules for the enforcement of sections 277.200 to 277.215. Section 277.212 requires the Department of Agriculture to refer violations of the provisions of 277.200 to 277.215 to the Attorney General. Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 4, first extraordinary session of the 91st General Assembly, declares the act to be an emergency within the meaning of the constitution, and declares that sections 277.202, 277.212, and 277.215 of the act shall be in full force and effect upon its passage and approval.

A formal procedure for managing incoming complaints related to sections 277.200 to 277.215 will allow the Department of Agriculture to fulfill duties required by law. The emergency rule will allow the packing industry to return to normality, restoring daily transactions that are economically vital to the state's livestock producers.

The agency has weighed the compelling governmental interest against the due process rights of the public to notice and comment. In light of a potential threat to public welfare, as cited in Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 4, first extraordinary session of the 91st General Assembly, signed by the governor on September 28, 2001, there is a compelling governmental interest to enact this rule through the emergency rulemaking process.

*The scope of this rule is limited to the circumstances that created this emergency and complies with the protections extended in the **Missouri and United States Constitutions**. The agency will encourage discussions with interested parties, including the Missouri Livestock Market Advisory Committee established by Executive Order 01-14, and provide them the opportunity to offer their comments in developing a proposed rule covering this same topic. The agency believes this emergency rule to be fair to all persons and parties under the circumstances. This emergency rule was filed on October 16, 2001 effective October 26, 2001 and expires April 23, 2002.*

(1) The Director of the Market Development Division of the Department of Agriculture shall receive and process each complaint made against any packer with respect to livestock, meats, meat food products, or livestock products in unmanufactured form, which complaint alleges violations of sections 277.200 to 277.215 RSMo.

(2) Complaints should be mailed or delivered to the following address: Director, Market Development Division, Missouri Department of Agriculture, 1616 Missouri Boulevard, PO Box 630, Jefferson City, MO 65109. However, actual receipt of a complaint by the Director of the Market Development Division at the Division's administrative office in any manner shall be sufficient. Complaints may be made based upon personal knowledge or upon information and belief, reciting information received from other sources.

(3) The Director of the Market Development Division shall appoint a Missouri Livestock Law Violation Review Committee of individuals knowledgeable with the livestock and packing industries. Members of the committee may be employees of the Department of Agriculture. The committee shall elect a chairman to receive, acknowledge and investigate all complaints on behalf of the Director of the Market Development Division. The committee chairman shall call a meeting of the committee as often as necessary to process all complaints received.

(4) All complaints shall be made in writing and shall fully identify the complainant by name and address. Complaints may be made on forms provided by the Market Development Division. Such forms shall be made available upon request. The forms shall allow for, but not be limited to, the complainant's name and address; the name and address of the subject(s) of the complaint; the date the alleged violation occurred; and a thorough description of the alleged violation(s). The complainant should include any and all available pertinent information. Oral or telephone requests will not be considered or processed as complaints, but each person making such communication will be provided with a complaint form and will be requested to complete the form and return it to the Market Development Division.

(5) Upon receipt by the committee, each complaint shall be acknowledged in writing and investigated by the committee. When the investigation is completed, the committee shall determine if the complaint should be forwarded to the Missouri Attorney General, or if the complaint should be dismissed. Upon that determination, the committee shall inform the complainant, in writing, of the committee's decision.

(6) This rule exists for the benefit of those members of the public who submit complaints to the Missouri Livestock Law Violations Review Committee. This rule is not deemed to protect or inure to the benefit of those persons or entities against whom enforcement actions may be instituted concerning possible violations of the provisions of the Missouri Livestock Marketing Law.

AUTHORITY: sections 277.200-277.215, RSMo 2000 and Supp. 2001. Emergency rule filed Oct. 16, 2001, effective Oct. 26, 2001, expires April 23, 2002.

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbolology under the heading of the proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rule-making process. The law provides that for every proposed rule, amendment or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety (90)-day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

Appeals conducted in-person shall be held at the offices of the Missouri Ethics Commission or at a location determined by the executive director.

(6) The party requesting an appeal of a late fee assessment may be represented by an attorney during any appeal. At the appeal, the person requesting the appeal and/or the attorney of record may present any facts that show the person's failure to file a campaign finance disclosure report was for good cause as determined by the commission.

(7) Notice of the appeal, including place, date, and time, shall be sent concurrently to the person requesting an appeal of a late fee assessment and to the attorney of record, if applicable.

All requests for a continuance shall be made in writing, state the factual basis for requesting the continuance, and be signed by the individual making the request. The decision to grant a continuance shall be at the discretion of the executive director.

(9) After the appeal, the executive director shall forward to the commission his recommendation on the appeal and place the appeal on the agenda for the next regularly scheduled commission meeting. The commission shall render a final decision, separately stating their findings. The executive director shall send a copy of the commission's decision by certified mail to the individual requesting the appeal and a copy of the commission's decision by regular mail to the attorney of record.

**Title 12—DEPARTMENT OF REVENUE
Division 10—Director of Revenue
Chapter 111—Sales/Use Tax—Machinery and
Equipment Exemptions**

PROPOSED RULE

12 CSR 10-111.100 Commercial Printers

PURPOSE: Section 144.020.1(1), RSMo, taxes the retail sale of tangible personal property. Section 144.030.2(2), RSMo, exempts materials that become a component part or ingredient of new personal property which is intended to be sold ultimately at retail. Sections 144.030.2(4) and (5), RSMo, exempt certain machinery, equipment, and parts for replacement or for a new or expanded plant. This rule explains the taxation rules for commercial printers and what elements must be met to qualify for these exemptions. This rule does not address the exemption relating to newspaper publishing contained in section 144.030.2(8), RSMo, or the exemption relating to advertising contained in section 144.034, RSMo.

(1) In general, sales of printed product by commercial printers are subject to tax. Purchases of materials and supplies, such as paper and ink, which become a component part or ingredient of the

printed product are exempt. Other materials used by the printer may be exempt if title to the materials transfers to the customer. Purchases of machinery, equipment and parts for replacement or for a new or expanded plant are exempt if directly used in the manufacturing process. This includes printing presses and plates. Chemicals to develop the film and plates are not exempt unless they become an ingredient or component part of materials resold to the customer.

(2) Definition of Terms. See Definition of Terms in 12 CSR 10-111.010 Machinery and Equipment Exemptions.

(3) Basic Application of Tax.

(A) Sales of printed products—A business engaged in printing publications, pamphlets, catalogues, leaflets, advertising circulars, stationery and other similar products, is creating new tangible personal property and is subject to tax on the total gross receipts from its sales. No deductions are allowed for preparing copy, artwork, compositions, phototypesetting or any other services or labor that are included in the charge to produce the final product.

(B) Ingredients and component parts—Purchases of material and supplies such as paper and ink may be purchased tax exempt by printers as ingredients or component parts under section 144.030.2(2), RSMo.

1. Chemicals that blend with and become part of the ink mixture are exempt, including:

- A. The fountain solution that blends with the ink at the press to keep the non-image area clean of ink while printing;
- B. Chemicals used on the rollers to keep the ink from drying out;
- C. Isopropyl alcohol to keep the ink wet on the rollers; and
- D. Ink anti-stain used to keep the ink from bleeding onto other printed material.

2. Purchases of material and supplies used in the printing process that do not blend with the ink are taxable, including:

- A. Anti-static products used to reduce static on the printed product;
- B. Chemicals used to clean the presses; and
- C. Color wax used for layout purposes.

(C) Other materials transferred to customers—Purchases of materials, including film, used by the printer in its manufacturing process do not qualify for the sale for resale exclusion unless title to such materials is transferred to the customer. Whether title passes is based on the intent of the parties, as evidenced by all relevant facts, including written agreements, course of dealing or usage of trade and availability of the materials for future use by the customer.

(D) Chemicals—Chemicals to develop the film and plates are not exempt unless they become an ingredient or component part of materials resold to the customer. Taxable chemicals include chemicals used on plates to desensitize the plates and to prevent them from oxidizing, developers, replenishers, finishers, fixers, store gum and plating solution.

(E) Supplies and Parts.

1. Perforation devices consumed in a single production cycle are not exempt as machinery and equipment or parts.
2. Perforation devices benefiting more than one production cycle are exempt as parts of machinery and equipment.
3. Blankets and necessary attachments are exempt as parts of machinery and equipment.
4. Proof paper and phototypesetting paper are not exempt as machinery and equipment or parts.
5. Mineral spirits used as a solvent to clean brushes, over-spray and equipment are taxable if used as a cleaning solvent separate from the ink. If mixed with the ink, then the mineral spirits are exempt as ingredients or component parts.

(4) Examples.

(A) A commercial printer replaces an old printing press due to obsolescence, replaces a second press due to design change and then purchases a third press to expand its production. All three printing presses may be purchased tax exempt under the machinery or equipment exemptions for replacement or expanded plant.

(B) A commercial printer purchases plates, film, phototypesetting paper, developer chemical for plates and film and press cleaning solvent that is not mixed with ink. The plate is exempt machinery and equipment. The printer's contract with the customer states the negatives become the property of the customer. The film is exempt as a component part of the negative. The phototypesetting paper does not qualify for exemption as machinery or equipment, ingredient or component part or sale for resale. The developer chemicals and cleaning solvent do not qualify for exemption as ingredients or component parts or sales for resale.

(C) A commercial printer states on its sales invoice its production labor charges for artwork, layout and design services separate from the charges for the printed product. The printer is subject to tax on total gross receipts including the separately stated production labor charges.

AUTHORITY: section 144.270, RSMo 2000. Original rule filed Oct. 11, 2001.

PUBLIC COST: This proposed rule will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the aggregate.

**Title 4—DEPARTMENT OF ECONOMIC
DEVELOPMENT
Division 240—Public Service Commission
Chapter 121—Pre-Owned Manufactured Homes**

ORDER OF RULEMAKING

By the authority vested in the Missouri Public Service Commission under section 700.040, RSMo 2000, the commission amends a rule as follows:

4 CSR 240-121.010 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on June 1, 2001 (26 MoReg 1161). Changes have been made to the text of the following proposed amendment and are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: Written comments were submitted by the Missouri Manufactured Housing Association (Association). There was no public hearing held. The Association opposes adoption of the amended rule.

COMMENT: Comments were received asserting that since Senate Bill No. 317 (SB 317), concerning the amendment of Chapter 700 of the Missouri Statutes, passed and will become effective, the Public Service Commission will no longer have authority to regulate used manufactured homes. The Association maintains that SB 317 removed all reference to used homes except for "used

modular units used for educational purposes." Therefore, the Association requests that the Commission redraw proposed rule 4 CSR 240-121.010 in Chapter 12—Pre-owned Mobile Homes.

RESPONSE AND EXPLANATION OF CHANGE: 4 CSR 240-121.010 defines terms used in Chapter 121. The Commission agrees with the Association and believes that portions of 4 CSR 240-121.010 can be removed, while other portions should remain in the rule. Therefore, the Commission amends this rule as proposed, and proposes to further amend the rule in another rulemaking to remove those sections no longer under its jurisdiction.

4 CSR 240-121.010 Definitions

(1) The following definitions, as well as those set out in section 700.010, RSMo apply to this chapter:

(C) Director means the director of the Manufactured Housing and Modular Units Program of the Public Service Commission and persons working under his/her supervision;

(D) Approved insignia means a label or tag issued by authority of 42 USC 5414 under the Federal Manufactured Home Procedural and Enforcement Regulations; and

(E) Pre-owned manufactured home means a manufactured home that has been sold at retail or rented, leased or occupied either as a dwelling or a place of business.

**Title 4—DEPARTMENT OF ECONOMIC
DEVELOPMENT
Division 240—Public Service Commission
Chapter 121—Pre-Owned Manufactured Homes**

ORDER OF RULEMAKING

By the authority vested in the Missouri Public Service Commission under section 700.040, RSMo 2000, the commission withdraws a proposed amendment as follows:

4 CSR 240-121.050 Inspection of Pre-Owned Manufactured Homes Rented, Leased or Sold or Offered for Rent, Lease or Sale by Persons Other Than Dealers **is withdrawn**.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on June 1, 2001 (26 MoReg 1162). This proposed amendment is withdrawn.

SUMMARY OF COMMENTS: Written comments were submitted by the Missouri Manufactured Housing Association (Association). There was no public hearing held. The Association opposes adoption of the amended rule.

COMMENT: Comments were received asserting that since Senate Bill No. 317 (SB 317), concerning the amendment of Chapter 700 of the Missouri Statutes, passed and will become effective, the Public Service Commission will no longer have authority to regulate used manufactured homes. The Association maintains that SB 317 removed all reference to used homes except for "used modular units used for educational purposes." The Association asserts that 4 CSR 240-121.050 should be rescinded due to Chapter 700 amendments.

RESPONSE: The Commission believes that the amendment to Chapter 700 did affect the statutory authority cited in 4 CSR 240-121.050. Therefore, 4 CSR 240-121.050 will be withdrawn. 4 CSR 240-121.050 set forth the extent to which pre-owned manufactured homes were subject to inspection for code and set up compliance. The amendments to Chapter 700 removed Commission jurisdiction

over code and set-up enforcement, thereby removing the authority to inspect pre-owned manufactured homes for code and set-up compliance.

Since the Commission no longer has jurisdiction over pre-owned manufactured homes, the proposed amendment is no longer relevant.

ORDER OF RULEMAKING

By the authority vested in the director of the Department of Insurance under section 374.045, RSMo 2000, the director adopts a rule as follows:

20 CSR 200-11.120 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on July 16, 2001 (26 MoReg 1467-1470). Comments were received and are responded to herein. Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Department of Insurance received two letters of comment on this proposed rule.

COMMENT: Commenters stated that subsections (2)(A) and (2)(B) of the proposed rule were vague and should be clarified. Specifically, commenters requested that the terms “agreement, arrangement or contract” as used in subsections (2)(A) and (2)(B) be defined to specifically identify what transactions are governed by the rule and what the Department of Insurance considers a “material transaction.” Commenters expressed concern that absent a more exacting definition, the regulation could be construed to include such transactions as “asset swaps and dividends.”

RESPONSE AND EXPLANATION OF CHANGE: The department agrees in part with this comment and has accordingly added language to limit the applicability of subsection (2)(B) to transactions that are not already covered by the current Form D requirements or subsection (2)(A). As to whether the regulation should exclude certain types of transactions between a domestic insurer and an affiliate, the department believes that its current broad phraseology—“agreement, arrangement or contract”—accomplishes the purpose of the subsection (2)(B). That purpose is to function as a catch-all in which all otherwise uncovered transactions that meet the materiality threshold will be subject to a Form D prior notice.

COMMENT: Commenters expressed concern that the 0.5% threshold which would trigger advance notice to the director under the proposed rule was too low and in conflict with section 382.196, RSMo, which purportedly only sets a 3% threshold. The commenters stated that the statutory 3% threshold would be more appropriate for purposes of the proposed rule and would be much less burdensome to domestic companies. The commenters stated that “absent a compelling interest to the contrary,” the proposed rule and section 382.196 should be consistent and only require a 3% threshold.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees with this comment. Accordingly, subsection (2)(B) has been rewritten so as not to apply to transactions covered by the 3% threshold.

COMMENT: A commenter stated that subsection (2)(B) should be limited to contracts for provisions of goods and services.

RESPONSE: The department disagrees with this comment. The Department believes that each affiliated transaction should be subject to Form D prior notice requirements, provided the transaction meets the materiality threshold for that type of transaction.

COMMENT: A commenter suggested that the phrase “consideration by or from or anticipated by or from the insurer” as used in subsection (2)(B) be limited to instances where the insurer pays the consideration rather than receives the consideration. The commenter stated that the receipt of consideration by an insurer within a holding company structure would not threaten the financial integrity of the domestic insurer, and therefore would not adversely affect the interests of the insured’s policyholders. The commenter suggested that subsection (2)(B) read “Any other written or oral contract for provision of goods or services in which consideration to be paid by insurer exceeds three percent (3%) of the insurer’s admitted assets as of the thirty-first day of December next preceding.”

RESPONSE: The department declines to rewrite subsection (2)(B) in the manner suggested, although the inconsistency with other parts of section 382.195 has been remedied by the additional language. The phrase in the proposed rule refers to consideration by or from the insurer and necessarily excludes consideration received by the insurer. Referring to consideration as having to be

“paid” could be subject to an overly narrow construction of only cash payment. The phrase “consideration by or from” would cover not only cash paid but also any form of consideration coming out of the insurer.

20 CSR 200-11.120 Material Transactions Between Affiliates Under Section 382.050.1(5), RSMo

(2) Each of the following transactions involving a domestic insurer and any person in its holding company system may not be entered into unless the insurer has notified the director in writing through use of Form D to 20 CSR 200-11.101 of its intention to enter into such transaction at least thirty (30) days prior thereto, or such shorter period as the director may permit, and the director has not disapproved it within such period (see section 382.195.1, RSMo):

(A) Any tax allocation agreement, arrangement or contract; and

(B) Any other agreement, arrangement, or contract, except for those agreements, arrangements or contracts covered by subsection (2)(A) of this rule or subdivisions (1) through (4) of section 382.195.1, RSMo, in which the consideration by or from or anticipated by or from the insurer has a value exceeding one-half of one percent (0.5%) of the insurer’s admitted assets as of the thirty-first day of December next preceding.

Title 20—DEPARTMENT OF INSURANCE Division 200—Financial Examination Chapter 12—Missouri and Extended Missouri Mutual Companies

PROPOSED AMENDMENT

By the authority vested in the director of the Department of Insurance under sections 374.045, 380.471 and 380.561, RSMo 2000, the director amends a rule as follows:

20 CSR 200-12.020 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on July 16, 2001 (26 MoReg 1471). Comments were received and are responded to herein. Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Department of Insurance received two comments on this proposed amendment.

COMMENT: The commenters stated that the department should not require prior approval of every home office investment. Instead, the commenters proposed that the department use a broader formula to test whether an extended Missouri mutual company’s home office building value is reasonable for its operations. Specifically, it was suggested that the department revise subsection (1)(C) of the proposed amendment to read as follows: “The company may hold a home office building at a value based on the following formula: 80% of the replacement cost of a single story conventional commercial building having no more square footage than that based on 400 square feet of office space per employee, and the number of employees based on 1 employee for each \$300,000 gross direct written premium or fraction thereof, but no less than 1,600 square feet. The Director may approve a higher value investment in home office building, up to a value of 40% of surplus based on the last filed annual statement.”

RESPONSE AND EXPLANATION OF CHANGE: The department agrees that the department need not become involved in

every home office investment. Although the department appreciates the company's suggested formula and the basis for it, the department prefers a formula that recognizes that (1) an insurance company will not expect to pay claims with its real estate and (2) the department has very limited access to information regarding local real estate conditions. Accordingly, the department has rewritten subsection (1)(C).

20 CSR 200-12.020 Extended Missouri Mutual Companies' Approved Investments

(1) Approved Investments. The following described investments shall be deemed approved investments under the provisions of section 380.471, RSMo:

(C) Home office real estate having an asset value of no more than fifty percent (50%) of the surplus in excess of the guaranty fund(s) required by section 380.271.1, RSMo, but an extended Missouri mutual company may invest in home office real estate having an asset value greater than such fifty percent (50%) with the prior approval of the director.
